Subject: About your position on alternative eye-irritation tests

Dr. William Stokes, Director
NTP Interagency Center for the Evaluation of Alternative Toxicological Methods
National Institute of Environmental Health Sciences
P.O. Box 12233, MD EC-17
Research Triangle Park, NC 27709

Dear Dr. Stokes,

I would like you to reconsider your position towards the alternative eye-irritation tests and immitate the European countries that have accepted the results of these alternative tests since the mid 1990s for the purpose of identifying and classifying chemicals that cause severe eye irritation.

Thank you for your time.

Sincerely,

Sofía Musi de la Vina.
